IAEI Student Membership

Student Membership provides an opportunity for you to interact directly with the electrical inspectors and industry professionals.

Student Benefits:

● Learn from the electrical experts

● Education at both local and national levels

● Subscription to Member News, “Inside the Wire” and instant access to technical articles with our weekly e-news update

● Cultivate Leadership Skills through Service and Career opportunities

● Local, face-to-face technical meetings and networking events with industry professionals: contractors, electrical inspectors, manufacturers, certification agency officials, and electrical code-making panel representatives

● One-on-One Technical Advice; send an email or speak to an advisor today

● First access to the most current industry practices

● Access to local meetings, understanding of local inspection policies and requirements

● Understand the electrical code, learn how it is developed, how and when it is applied.

● A competitive edge from technical articles in digital IAEI News Magazine Subscriptions and online resources

It’s FREE, Become a Student Member Today!
What Members Are Saying About IAEI:

“IAEI keeps me well informed on current code changes and up-to-date on new industry standards.”

– Otis Earlycutt, Electrical Designer | Moses Engineering

“The ability to network with other electrical inspectors and have networking opportunities at the IAEI meetings with code panel members of the Electrical Code. The quality of the IAEI publications makes the IAEI membership a true value.”

– David Williams, Electrical Inspector | Delta Township, Lansing

Other student benefits include:

- Meet and network with industry leaders and electrical professionals
- Job-focused benefits
- Gain member-only access to information and benefits
- Develop professional networks
- Attend code panel discussions from industry leaders
- Stay up-to-date with technical articles, weekly updates
- Notification of scholarships, awards and contest opportunities
- Code-Making Panel opportunities
- Peer-to-Peer advice and connections
- Discounts on IAEI publications, education and training seminars

Access to Industry Information with Technical Articles!
