**Ferm’s Fast Finder**

The Ferm’s Fast Finder index uses the electrical inspector’s language to group information together under appropriate and alphabetized headings for 19 NFPA codes; 4 ANSI standards; UL Fire Resistance Directory; and UL White Book.

- **Ferm’s Fast Finder 2017 - #359017**
  - List $57.95 | Member $52.15 | Premier $46.36

**Ferm’s Formulas, Charts & Information**

Lack of skills in fundamental math and basic applications has hindered many careers in the electrical industry. This book carefully explains and demonstrates the most commonly used electrical formulas. Detailed charts make up the balance of the text.

- **Ferm’s Formulas, Charts & Info 2017 - #359016**
  - List $19.95 | Member $17.96 | Premier $15.96

**Exam Preparation Books**

The IAEI study guides are designed for busy people who are working and studying at the same time. They help guide you through the process of exam preparation, help you know where to find answers quickly, provide sample test questions, and include helpful tips not found elsewhere. Charts, formulas, and essential information are provided. Helpful for state or certification exams.
