The Iowa chapter invites all Midwest electrical professionals to attend our Spring 2020 educational meeting.

Attendees will earn CEUs based on 18 hours of technical instruction and gain knowledge from meeting some of the best electricians, contractors, inspectors and National Electrical Code® experts in the state.

Registration includes 18 hours of technical instruction and a copy of the book IAEI Analysis of Changes, NEC® 2020, upon which the seminar curriculum is based.

Members - $300
Non-Members - $350
Retirees: $150
Individual Banquet Fee - $30

Copy of 2020 Analysis of Changes provided to first 80 registrants

Check out the new Iowa Chapter IAEI website for agenda information and online hotel registration: iaei.org/iowa
