TFACA, ICC Region 8, TPMIA, ETBOA, UETBOA, IAEI, TN Concrete Association, and Tilt-Up Concrete Association are partnering to announce the **Southern Appalachian Construction Codes Conference** in Pigeon Forge, a continuation of the annual TFACA Conference you’ve attended for years! Come learn with other officials and inspectors from across the State on December 12 and 13, 2019 and enjoy the Christmas season in the Smokies!

This year’s location will again be the Music Road Hotel and Convention Center, located at **303 Henderson Chapel Rd. Pigeon Forge, TN 37863**. To get a taste of the beautiful accommodations this complex has to offer, you can visit them at *MusicRoadHotel.com*. We are sure you will not be disappointed!

The cost for lodging is separate from class registration and must be paid to Music Road Hotel. A limited number of rooms have been reserved for participants at the low rate of $96. For reservations, call *(800) 429-7700.*

All classes except electrical classes will be approved for recertification by TN SFMO and ICC. Electrical classes will be approved for recertification by IAEI and ICC. Students should bring the editions of the codes appropriate for the content in each course. Students will provide their own meals, however 100 box lunches will be provided by the partnering Associations for participants who wish to eat in the vendor area. The training cost per student per class is as follows:

- **4 hr. morning class:** $34
- **3 hr. afternoon class:** $30
- **7 hr. full-day class:** $64

**IMPORTANT:** Each day there will be a morning class period 8am-12pm, and an afternoon class period 1pm-4pm. Unless you plan to attend a full-day class, be sure to register for only one class during the morning period, and then only one class during the afternoon period, for a maximum two classes per day.

If you **HAVE** taken any TFACA course in the past, please register via the following link:

*https://acadis-portal.tn.gov/acadisviewer/login.aspx*

If you **HAVE NOT** taken any TFACA course in the past, please register via the following link:

If you have any questions about registration, contact TFACA at: *(800) 747-8868.*

**PLEASE NOTE:** Electrical classes are not eligible to be submitted for SFMO recertification credit at this time.
